## Special Counsel, the Leading Career Resource for Legal Nurses

Special Counsel may be a new name to medical professionals, but we have been matching legal professionals to outstanding opportunities for over a decade. We are now proud to offer challenging assignments for medical professionals within a legal environment through our Legal Nurse Services.

Because we are legal professionals, we will help guide you through the opportunities available to medical professionals in leading law firms and corporate legal departments around the country. If you are looking for a new and exciting way to put your medical experience to work in new environments, Special Counsel can help. That's what we do every day.

### The Personal Touch

We recognize the value that qualified professionals bring to the medical document review process. That's why we have designed Legal Nurse Services to give you the most focused and personalized attention in the industry. At Special Counsel, we work hard to increase your opportunities for professional growth and financial rewards in this exciting field.

### That's What We Do, Every Day.
